Women Ruggers Appear For The First Time
At Juniata

NO ONE ELSE HAS IT

This year The Kim Ford Studios of Huntingdon and Tyrone are offering each Juniata College Senior a contemporary portrait sitting. The sitting consists of a series of formal poses for yearbook use and a series of informal poses either in the studio or outdoors. Seniors from last year's graduating class were introduced to our series of informal contemporary poses and the comments were unbelievable. A special reduction of prices is available to the graduating senior. Why not schedule your senior appointment now!

BARRY'S ARCO & WRECKER SERVICE

Moore & 10th Streets
Huntingdon, Pa.

I suppose it's time that I should follow the example set by all other yearbook editors, and express my sincere thanks to everyone who worked on the book this year. We had a lot of tough moments—there were times when I almost quit; but with everyone's help (particularly Tom Price, Deb Smith, and my fabulous Business Staff), the book finally made it to the publisher.

I do have some apologies to make for the quality of photography; good shots were hard to come by with our ancient equipment. And some people may also be upset by the omission of the Raft Race, but that couldn't be helped. None of our staff photographers could take time off to take pictures two days before finals.

In any case, here is 1974–75. I hope you enjoy remembering it as much as I enjoyed putting it on paper.

Cindy
